

# Living for Jesus in Malta

*"But we will be sent  
on to a certain island"*

*Acts 27:26 (Bible in Basic English)*

Dear Friends and Prayer Partners

In February 2013 God called us as a family to sell our home in the UK and move to Malta to serve Him. At the time we were Pastoring a church in our home town of Wisbech, which has, over the years, enjoyed close links with a church on this little island nation. I have now stepped down as Pastor, my last service being Easter Day and we are getting ready to go.

Situated in the heart of the Mediterranean, Malta consists of three islands - Malta, Gozo & Comino.

In 2004 Malta joined the EU and has since become a haven for many Eastern Europeans. Malta also has close ties with North Africa, and many Africans from all over the continent, but particularly the unevangelised from Libya and Tunisia, make the journey here seeking asylum or as a first step into Europe.

We believe that God is leading us here as a family, to live and work for Him. Unless the Lord leads us differently we expect to support the Full Gospel Praise Centres, with which we have enjoyed close links for twenty years, serving under Pastor Vince Fenech.

Our long term vision is to:

- Reach out to those that come from overseas and have made Malta their home.
- Re-establish a Christian School on the island using the Word of God as the basis for the curriculum.
- Forge links with the Maltese, working closely with the local church.
- Use Malta as a base for the ministry to reach into Europe and Africa.
- Establish the Voice of Faith Bible School from here.

**The most religious nation in Europe, Malta has deeply Catholic sensibilities. The majority regularly attend mass and over 80% feel that their religion is important to them. However, not many Maltese enjoy a personal walk with the living Lord Jesus. Pray that their strong religious tradition may serve as a door into and not a barrier against greater commitment to the Kingdom.**

*God has put it on our hearts to re-establish the Christian School*

*The building is there, The licence is current - we just need the students, the workers and the finance, approx €6000 (£5000) per month*

*The curriculum used is based on the Accelerated Christian Education program that provides an individualised, Christ-centred system of learning, which galvanises the students faith and launches them into society as educated, confident citizens motivated to serve in whatever capacity the Lord directs*

## PLEASE PRAY FOR US
